**Re: Notification of Subscriber Transfer  
CC Docket No. 00-257**

Dear Madam Secretary:

This letter is to serve as a correction to a previous notification of Subscriber Transfer where SBC identified Westex Communications, as being unable to continue to provide its customers telecommunications services in the Texas region. SBC inadvertently named **Westex** Telecommunications as the provider in question. The correct provider is **WesTex** Communications, LLC., d/b/a WTX Communications (WesTex). SBC provided WesTex customers letters correct notification on July 29, 2004 that WesTex will be unable to continue to provide service in the Texas region. SBC Texas began providing service on a interim basis for a limited transition period.

SBC Texas will acquire all customers that have not selected an alternative provider on August 30, 2004. SBC Texas certifies that it has complied with the obligations specified in the notice and any other applicable statutory and Commission requirements. A sample notification letter is attached hereto.

Should you have any questions, please do not hesitate to contact me.

Sincerely,

/s/ Davida Grant
